DOCUMENT-IDENTIFIER: US 6574606 B1

TITLE: Method and system for cross-marketing products and services over a distributed communication network

Detailed Description Text (8):

In the case of product offers, the customer will be offered the opportunity to receive a gift certificate, next product free, or free shipping as an added incentive for the customer to accept the offer. In the case of the "thank you" benefit, such as free insurance or warranty, the customer would be encouraged to buy an upgrade to the insurance or warranty provided as the free benefit. As shown in FIG. 3, the loyalty web page would contain fields for the customer to enter her personal information, including her e-mail address and phone number, as well as credit card information. When the customer has completed entry of the required information, she would click on an icon or hyperlink 32 indicating her acceptance of the offer. One example of a process whereby a customer accepts a loyalty offer is illustrated in FIG. 4.
